

Pets at Purity Spring Resort

Purity Spring Resort has a select number of rooms where we will allow your dog to stay in the room with you.

- \$15.00 per night per dog / Pet fee.
- \$250.00 Authorization will be applied to your credit card as Security Deposit.
- Should one of these pet friendly rooms not be available we cannot allow another room as a substitute. Should we find a pet has stayed in your room with you, and the room is not one of our designated rooms, a fee of \$250.00 will be charged to your account in addition to any damages that have occurred because of your pet.
- A copy of current rabies certificate must be provided for all pets at check-in. This is required for your dog to be allowed on property.

In your room we ask that you keep your dog off all furniture.

- A crate is required if you plan to leave your pet unattended in your room for any period of time. The main office can supply a rental crate should you not have one with you.
- Housekeeping will not service your room while your dog is in the room.
- If your dog is a talker please leave them at home. If your pet is found to be disruptive; barking, whining, damage to the room... We will require you find your pet alternate accommodations. We can suggest a number of local kennels.
 - Damage to the room will incur a charge to your account for repairs or replacement.
 - Owners who have dogs displaying aggressive behavior will be asked to remove the pet immediately from the resort.

Pets on resort property:

- While we welcome your dog to stay with you in your room, for the safety and comfort of others we cannot allow your dog to roam to all areas of the resort.
 - Your dog is allowed in your room only and the hallway in and out of the building.
 - Dogs are not allowed in any common rooms.
- We have designated a walking path for you to use with your dog. There are dogi-poti stations for your convenience. Please be courteous and pick up after your dog, and place the waste in the stations provided.
- Your dog is not allowed at any meal in the dining rooms or function such as the Breakfast Cookout or the Lobster/Steak Cookout.
- Dogs must be on a leash anytime they are out of your room. (No matter how well behaved your dog is we also will require that you keep them on a leash while walking to and from your room in the building, and while on the dog path.) If your dog is able to follow voice commands you may play unleashed at the Milt's Place Beach. [FYI: The town of Madison has a leash ordinance.]
 - Should you wish to go swimming with your dog we have designated the Milt's Place beach as the location where your dog is allowed. Due to the programs we offer and the inflatable water slides, please respect that no pets are allowed at any of the other beaches.

Check out:

- Before you depart from your room, please call the front desk and notify them of your intent to depart.
- This will allow our housekeeping to make a quick inspection of your room prior to your check out. By calling before you get to the office will help the office check out move more quickly.
